Message from Senator Brian Schatz

Presented In Recognition of
Hawai'i Food Manufacturers Association (HFMA)
Inaugural TASTE Awards
June 14, 2014

I extend my personal greetings of aloha and congratulations to Hawai'i Food Manufacturers Association (HFMA) on the occasion of its first annual Taste Awards, recognizing remarkable people, companies, and achievements in Hawai'i's food industry.

Representing and promoting Hawaiian grown and manufactured products for nearly 40 years, HFMA and its member companies work to encourage public recognition and appreciation of the distinctive flavors, quality, and care that go into the production of Hawai'i's uniquely diverse cuisine. As the only one of its kind nationwide, this innovative and globally competitive local food manufacturing industry strives to create and distribute products superior in quality, taste, and packaging.

Acknowledging those who have demonstrated exceptional operations, innovation, and performance is an extraordinary way to bring likeminded talent together in pursuit of culinary excellence. Mahalo Nui Loa to HFMA's Board of Directors, advisory council, and event support team for working tirelessly to host this wonderful event. Please accept my best wishes for a fruitful celebration and award ceremony.

Mahalo Nui Loa,

BRIAN SCHATZ
United States Senate
